MYSA Coach's Code of Conduct

The Board of Directors of Massachusetts Youth Soccer Association, Incorporated (Mass Youth Soccer) and the leaders of the affiliated Leagues are concerned about the conduct of all coaches and referees during games at all levels, from recreational to premier to ODP. We want to ensure that games are fair, positive and enjoyable experiences for all of the children and adults involved. A soccer game should be friendly and unifying - a spirited social and athletic occasion for players, coaches, referees and spectators. To clarify expectations of coach conduct, we jointly expect all coaches to conform to this code of conduct:

- ☞ Before, during and after the game, be an example of dignity, patience and positive spirit.
- ☞ Before a game, introduce yourself to the opposing coach and to the referee.
- ☞ During the game, you are responsible for the sportsmanship of your players. If one of your players is disrespectful, irresponsible or overly aggressive, take the player out of the game at least long enough for him/her to calm down.
- ☞ During the game, you are also responsible for the conduct of the parents of your players. It is imperative to explain acceptable player and parent behavior in a preseason meeting.
- ☞ Encourage them to applaud and cheer for good plays by either team. Discourage them and you may need to be forceful and direct from yelling at players and the referee.
- ☞ During the game, you are also responsible for the conduct of spectators rooting for your team.
- ☞ During the game, do not address the referee at all. If you have a small issue, discuss it with the referee calmly and patiently after the game.
- ☞ If you have a major complaint, or if you think the referee was unfair, biased, unfit or incompetent, report your opinion to your League. Your reactions will be taken seriously if they are presented objectively and formally.
- ☞ After the game, thank the referee and ask your players to do the same.
- ☞ We stress two points:

- Referees - especially young and inexperienced ones - are like your players and yourself, in that they need time to develop. You can play an important role in helping them to improve by letting them concentrate on the game. You can help by encouraging them, by accepting their inevitable, occasional mistakes and by offering constructive post-game comments.
 - On the other hand, you could discourage and demoralize the referees by criticizing their decisions, by verbally abusing them and inciting - or even accepting - your own players' overly aggressive behavior.
- ☞ Your example is powerful, for better or worse. If you insist on fair play, if you concentrate on your players' enjoyment of the game and their overall, long term development, and if you support the referee, your players and their parents will notice.
 - ☞ If you encourage (or allow) your players to play outside the rules, if you're overly concerned about results, and if you criticize the referee harshly, your players and their parents will also notice.
 - ☞ Think about what you're doing during a game! Uphold the Spirit of the Game! If you follow the expectations described above, the spirit of the game will be alive and well in Massachusetts and will grow, along with the enjoyment of all.
 - ☞ Coaches who don't follow the expectations described above will be disciplined or removed.

Multiple rostering permits a player to play for more than one team. It is frequently used by higher-level players and most often by players involved in National Challenge Cups play. US Youth Soccer has established rules for multiple rostering that we adhere to in Massachusetts.

A player may be rostered to more than one team during a playing season with the following restrictions:

- A player may be rostered on one team competing in a Massachusetts Youth Soccer Association (MYSA) recognized town league and one team competing in a MYSA recognized premier league.
- A player cannot play for more than one team in any MYSA recognized town league.
- A player cannot play for more than one team in any MYSA recognized premier league.
- A player can play for only one team in any competition sponsored by the US Youth Soccer. (I.e. Regional Cups, McGuire Cup, etc.)
- A player may be placed on a state roster called a "TOURNAMENT TEAM ONLY ROSTER" without the need for multiple rostering. A "TOURNAMENT TEAM" exists only for the duration of a tournament and is NOT the player's primary team.

104 Roster/Pass Card Submissions

1. Clubs are responsible for the submission of team rosters and player/coach pass cards by the date established by the SCSL Board of Directors.
2. All clubs must submit a copy of the electronic registration sent to MYSA.

4. The SCSL registrar shall be paid \$1.00 per player registration and \$2.00 for each add, drop or error.

 - C. Any team packet turned in less than 2 weeks before the start of the season shall be assessed a \$100 fine payable to the league registrar and will not be guaranteed to be ready for the start of the season.
6. A copy of each player's proof of age must accompany all Rosters and pass cards every year. Each pass card must have an up to date color picture of the player properly glued to the pass card in the space provided. Staples or other mechanical attachments are not allowed.
7. Team roster and pass card packages submitted with omissions or problems will not be registered until the complete package is received by the registrar.
8. At the discretion of the Registrar, the entire package may be returned for correction or required that the corrected items be submitted individually.
9. Any incomplete package may be considered late at the discretion of the Registrar and may not be processed by the start of the playing season.

105 Transfers

A team is permitted a maximum of three (3) transfers during a seasonal playing year. These transfers are based upon maximum roster size as given above. Players may be added at any time to bring the roster to the allowed maximum. Official roster forms must be in the hands of the League Registrar before any player can participate for their team. The SCSL will abide with MYSA rules governing eligibility.

106 Team members

Any player properly assigned shall not play for any other team than that for which he/she registered, except as per United States Youth Soccer Association (USYSA) Rule 2104.

114 Order of Participation

Priority Guide for Multiple Rostered Players: These "priorities of play" are for players who are multiple rostered. These priorities:

- apply to all State Team players - regardless of age - rostered on any other team.

- apply to all multiple rostered players aged U14 and younger; but, do not apply to non-State Team players age U15 and above.

These priorities provide players, coaches and parents with a set of expectations for players rostered to multiple teams. They have been developed to enable players to rise to their highest level of soccer while affording them access to all levels of play. They developed with input from representatives of all types and levels of play within the state. They have been developed to eliminate such questions as "Who do I play for?", "Which practice should I attend?", or "What team should I play with on a tournament weekend?" These priorities are to be respected and adhered to by all of the various soccer interests that compete for a player's attention and time.

In general terms, a player's priorities are as follows:

Major Tournaments:

Regional ODP Tournament (after Memorial Day)
State Cup
MTOC and Qualifying Games

On a major national holiday weekend:

- Memorial Day - priority to Premier (MAPLE) Teams
- Columbus Day - priority to Town Teams
- All other tournaments - players are to alternate attendance in event of scheduled conflict
- State Team Tryouts (except Sunday afternoons during MAPLE seasons)
- Regularly scheduled League games
- Make-up games
- Practices

However, there exist variations in priority based on the playing season. So please read and understand each category and how they interrelate.

Soccer Activity Priority List:

1. Re-scheduling will be allowed throughout the season as long as both teams/Clubs agree to the re-schedule. In the case of a re-schedule request for a verified school or religious event, the game **MUST** be re-scheduled. If the 2 teams/Clubs cannot agree on a new date/time for the re-schedule, the SCSL President shall decide when the game will be played. All re-schedules must be agreed upon and the game changed in Got Soccer by 9 pm the Wednesday before the originally scheduled date and time for the game or the game must be played as previously scheduled.
2. All rescheduling shall be done by the home club using the Got Soccer web site and the current rules for re-schedules.
3. Any games not played by the last scheduled day of the SCSL playing season shall not be played. The teams involved waive any rights to the points that would have been awarded if the game had been played. Clubs acknowledge that due to weather conditions or other circumstances teams may be required to play more than one game in a day to complete the eight game season.

 - A. Total overall points
 - B. The record of their head-to-head competition during the season.
 - C. Goals scored against each team.
 - D. The goal differential for each team determined by subtracting goals scored against each team from goals scored for each team. A maximum differential of five (5) shall be allowed for each match.

6. If two or more teams are tied for the last playoff spot then only head to head competition during the season will be used to determine which team makes the playoffs. If this does not break the tie then special playoff games will be scheduled between the end of the season and the start of the playoffs.

If an attorney is present at a hearing to assist a party in presenting the party's case, it shall be made clear at the commencement of any such hearing that the hearing shall proceed in accordance with the SCSL hearing rules and procedures. All Federal, State or local Rules of Evidence or Civil Procedure shall not be applicable.

4. The SCSL may provide, as part of its hearing rules and procedures, that an individual assisting a party may be allowed to speak on behalf of the party, make requests or ask questions at the hearing.
5. Regardless of whether the SCSL allows the individual assisting the party the rights to speak, make requests or ask questions, as noted in Paragraph 4 above, an individual assisting the party in presenting the party's case shall have the right to be physically present in the hearing room, and so as not to interfere with the hearing procedure, it is also recommended that the individual be seated close to the party (either behind or next to the party) so that the party may seek assistance when desired during the course of the hearing.
6. During the course of the hearing, the party may confer briefly with the individual who is assisting before making a statement or request or prior to responding to a question. The panel conducting the hearing may limit the frequency and duration of the conferences so as not to unduly interfere with the proceeding.
7. If there is confusion or concern, the party may request a recess to confer with the individual assisting the party. Such a request should be granted unless the number of requests by a party becomes unreasonable or the length of a requested recess is deemed by the hearing panel to be unreasonable.
8. An individual assisting a party may prepare written materials for the party and collect documents for the party. However, the party must submit or present the materials and documents as materials and documents of the party, and not of the individual assisting. The party has complete responsibility for those materials and documents and is subject to questioning about them.
9. Nothing contained in this policy shall prevent a League from allowing greater rights to assistance than those set forth in Paragraphs 1-7 above. For example, the SCSL may, but shall not be obligated to, allow more than one individual to assist a party at any given time.
10. The rights, either mandatory or permissible under this policy, shall be consistently applied, and the SCSL should not arbitrarily allow or disallow the rights set forth above to those individuals assisting a party in the presentation or defense of the party's case.

501 Protests After the Game is Played

There are only two (2) acceptable reasons for protesting a game AFTER it has been played. They are:

1. A team plays an unregistered, ineligible player.

2. There has been an obvious error made in the application of the Laws of the Game that directly affects the outcome of the match.

A protest being submitted after a game is played and which conforms to one of the stated reasons must be received by the Protest Board Chairperson before forty eight (48) hours have passed since the end of the game being protested. Any team or coach protesting a game must follow the procedure as given in section 11 of the SCSL Rules of Play. No protests can be entertained if they are based on judgment decisions made by the Referee during play. All protest/discipline actions taken by the Protest Board will be reported in writing to the SCSL BOD. Copies of the report will be sent to any coaches involved, the club Director and the referee Representative.

Section 600 - Reserved

The SCSL reserves the right to challenge any provisions or changes that conflict with the Constitution and By-Laws of the SCSL as well as any provision which does not comply with the stated Objectives or Philosophy of the SCSL, MYSA and USSF or is deemed to conflict with the ideal of sportsmanship and fair play.

Section 800 - Rules of Play

801 Changes to Rules of Play

4. The proposal shall be discussed and voted upon. A simple majority vote is necessary for acceptance of the change

Section 900 - Residency Requirements

901 General

The primary intent of the SCSL is to provide inter-town competition. The primary requirement for team play at all levels is town residency.

902 Exceptions

An organization may submit a complete roster with exceptions to this requirement for approval by the SCSL BOD. Such submission for exception shall be by means of a filled out SCSL waiver form and should include a written justification for each exception, including appropriate supporting information. The SCSL BOD shall review each such submission for exception and inform the organization concerned of the action taken. Any subsequent proposed additions to the roster that are exceptions will also require review and approval by the SCSL BOD.

903 Residency

1. All teams competing in any SCSL season shall be composed of players residing in towns within the geographical limits of the SCSL.
2. A club shall recruit players only from within its accepted geographical boundaries as defined per section 3-3 of the SCSL Constitution and By Laws.
3. Clubs or individuals who recruit players from outside their own club's geographical area shall be suspended from the SCSL for one (1) year and shall be subject to any additional action deemed appropriate by the SCSL BOD.
4. A player may be allowed to play for a non-home town team if the two clubs involved mutually agree. The request must be made by means of a properly filled out SCSL waiver form to the SCSL BOD per section 902.
5. A player who has been denied a waiver by their hometown club may play for another town's team in their age group. In such case the SCSL BOD reserves the right to declare that team as ineligible for MTOC competition.

6. Players residing in a town without a club registered with and accepted by the SCSL may register with and play for any SCSL club. Waiver forms are not required for this situation.
7. For all Divisions, submissions qualifying under the following guidelines will be approved unless the SCSL BOD finds, in a particular case, that such approval would be inconsistent with the basic principles of the League.
8. A player who moves from town A to town B and has played for town A for at least two (2) of the three (3) previous spring soccer seasons may play for town A for one (1) more Spring season or for town B immediately. Any exceptions must be submitted to the SCSL BOD in writing by the player's parents or guardians.
9. Adjacent towns that have an insufficient number of players to form two (2) full teams at an age level may combine players to form a team, which would be placed in an appropriately competitive division.
10. For Division I, the SCSL BOD may approve residency exceptions for the purpose of providing broader access to competition at this level. In acting on such submissions, the SCSL BOD shall be guided by the following principles:
 - A. Division I should be evenly competitive and in the spirit of town competition.
 - B. Each player has a right to competition at the highest level his or her capabilities will allow.
 - C. A player who has access to Division I play in his or her home town of residency should not be considered for such play in another town unless both clubs agree and submit an SCSL waiver form per Section 12-2 of the SCSL Constitution and By-Laws.
11. Organizations, which represent two or more adjacent towns associated in a regional school district, shall be considered as town organizations for purposes of these By Laws and shall have the same rights as organizations representing a single town.
12. Organizations which represent two (2) or more adjacent towns not associated with a regional school district and have defined their geographical areas as specified in section 3-2, with the approval of the SCSL BOD, shall be considered as town organizations for the purposes of these By Laws and shall have the same rights as those organizations representing a single town.
13. Individuals residing within the geographical boundaries of a club not previously registered with the SCSL and who have previously played for another SCSL club shall be required to register with and play for the expansion club. All requests for exceptions must be submitted to the

SCSL BOD prior to the deadline for submission of rosters to the League Registrar.

14. For the case of towns which have multiple clubs authorized per section 3-2, the Fall membership of such clubs shall be exempt from recruitment by another club operating in that town.

Section 1000 - Zero Tolerance

MTOC Rules and Procedures

Note: The Massachusetts Tournament of Champions (MTOC) Rules and Procedures are subject to change. Please check for updated information at www.mayouthsoccer.org

TEAM REGISTRATION

Each league is required to fill assigned slots for the MTOC. Failure to fill a slot will result in a fine to the league of \$1,000 per slot. Teams should report to the Field Pavilion at least 40 minutes prior to their game time to register. For all preliminary round games, teams check in only before their first game of the day. For all semifinal and championship games, teams must check in prior to each game. The following documents are required and must be presented at check-in:

- a. Rosters: Rosters must be typed with players in alphabetical order and must be completed to show the jersey number of each player. Jersey numbers will be verified during the check-in process. Rosters eligible for MTOC play are frozen as of June 1st each year. Rosters are limited to 18 players (15 players for Gr 06). The roster you present at your first registration check-in is your roster for the entire tournament. Each team must bring four (4) official game roster forms to the tournament. These rosters must be the same rosters approved for use in your home league and must be stamped or signed by your league registrar. No more than three (3) out-of-state players are allowed on a team's roster.
- b. Pass Cards: Each player and coach must have a current pass card. Pass cards must be on a Massachusetts Youth Soccer format ID card, typed and contain the following information:
 - i) Player or coach's name
 - ii) Player's birth date
 - iii) Current season or a MTOC sticker with the year on it
 - iv) A passport sized picture (current or within two years)
 - v) Signed or stamped by your league registrar
 - vi) All cards must be laminated.

If these criteria are not met, the player or coach may be declared ineligible.

- c. Each team will be issued three (3) non-transferable Coach Passes. These Coach Passes are required in order to gain access to the sideline coaching areas. If a team's official team roster only

provides space for the names of two (2) coaches and you intend to have a third coach on the sidelines, this individual must be registered with Massachusetts Youth Soccer, have a currently valid coach's pass card and be specifically identified to the Registration Staff during the team registration process.

d. Uniforms: Players must be in full uniform and ready to play at the check-in. Teams will line up in roster order (alphabetical) and will then be checked-in. Teams must play in the same uniforms in which they have checked in (see uniform information in next section).

e. Failure to supply rosters and/or players cards will result in the head coach being suspended for each game that the documents are not available. If the information is not available prior to the completion of the game, the game will be recorded as a forfeit.

UNIFORMS

1. Each player's uniform shall consist of the following:

- a. A soccer jersey with visible, legible numbers that match the players listed on the roster.
- b. There shall be no numbers duplicated on any roster or team.
- c. Soccer shorts of matching color and style
- d. Socks that match each other and those of their teammates.
- e. Pair of soccer shoes. No "spikes" will be permitted.
- f. Shin guards are mandatory. Players will not be allowed to check-in or play without them.
- g. If the game involves teams with similar color jersey colors, the team designated the "Home Team" (the team listed first on the schedule) will wear alternate colored jerseys or mesh pinnies that permit the uniform number to be read. The referee shall have final authority on color conflicts.

2. Players **shall not** be permitted to wear the following:

- a. Cut off shorts
- b. "Jams"
- c. Spandex that does not match the color of the players' shorts
- d. Boxer shorts
- e. Jewelry of any kind (string bracelets, barrettes, hairpins, earrings, etc.)
- f. Casts, splints, hats, or unprotected braces

- g. Unnecessary face or body painting or other offensive displays
 - i. Tournament officials will inspect each team during the check-in process, giving special attention to potentially dangerous items (casts, splints, jewelry, faulty cleats) as well as assuring that protective items like shin guards are in place.
3. Final Determination: Any item worn that, in the opinion of the Tournament Officials involves or poses a risk of harm will be referred to the Referee Director and his/her determination shall be final.

GAME LOGISTICS

1. Team Benches: Both teams will be located on the same side of the field. All spectators will be located on the opposite side of the field. Only the players and up to three (3) coaches per team are allowed on the team side of the field. Coaches must wear their MTOC coach's pass on the sidelines so referees and tournament officials can easily identify them as team representatives.
2. Substitutions: Substitutions are unlimited. Both teams may substitute on a goal kick, after a goal and at half time. As to throw-ins, however, only the team in possession has the initial option of substituting, but if it does make a substitution, the opposing team may substitute as well. All substitute players must be ready at midfield and substitutions are made only with the referee's consent. If a game is stopped to allow for substitution for an injured player, the opposing team may also substitute as well on a one-for-one basis.
3. Gr 06 Goalkeeper Distributions: In Gr 06 matches, the goalkeeper's distribution may carry the full length of the field, but it cannot go directly into the opponent's penalty area in the air.
4. Game Time - Round Robin: All preliminary round robin games will consist of 25 minute halves with a 5-minute halftime. Game time is kept by the referee and is running time, *with no allowance for injury time*. There will be no overtime periods in the preliminary round of play. Teams must be ready to play at their appointed time.
5. Weather Delays: In the event that a portion of the game schedule is suspended due to weather (or for any other reason), the following rules will apply:

a. In the event of a stoppage, games that have completed a half, or are in the second half, will be deemed completed and the score at the time of the stoppage will stand.

b. In the event of a stoppage, games that are in the first half will be re-played in their entirety (both halves), subject to time and field constraints of the tournament.

c. In the event of a stoppage, the Tournament Committee and the Referee Director will determine when it is safe to restart games. Games will resume on the original schedule with the next schedule time slot due to play (i.e. if it is safe to play at 3:45 PM, games will recommence with those teams scheduled for 4:00 PM).

d. Games with the first half not completed or games not played due to stoppage, will be rescheduled in available time and field slots. Games not completed or played Friday and early Saturday will most likely be played late Saturday. Games not completed or played late Saturday may be played Sunday morning, with semi-final games delayed. Specific details will be available at scoreboards and registration area.

6. **Playing Surface:** Assignment of playing surfaces (either grass or synthetic) is at the sole discretion of the Tournament Committee and is not subject to discussion, protest or appeal.

7. **Change in Length of Games:** Should conditions warrant, the length of games is subject to change by the Tournament Director and the Referee Director. Coaches will be notified before the start of the half in which such a change is made. In the event of unsafe conditions, a game may be terminated at any point by the referee.

8. There will be a spectator line (dashed line about 1-yard outside the touch line) on the spectator side of the field. Spectators must stay entirely outside this line.

9. **NO PETS** of any kind allowed are permitted in any portion of the field complex.

10. **NO CANOPIES** shall be located within fifty (50) feet of any field. Canopies must be properly anchored and must be taken down when not in use. The Massachusetts Youth Soccer Facilities Manager has final authority as to whether a canopy or canopies in general may be permitted to be erected on the complex. Due to high winds at Progin Park, canopies can pose a serious risk of harm.

CONDUCT DURING MTOC

1. Players, coaches and spectators are expected to conduct themselves within the letter and the spirit of the game and its laws. All players, coaches and spectators shall uphold the spirit of ZERO TOLERANCE policies. Displays of temper or dissent by word or action against opponents or referees are cause for ejection from the game, suspension from the MTOC and/or ejection from the Fields at Progin Park.

2. No player ejected (red carded) may re-enter that game, nor may the player have a substitute. The ejected player must also remove him/herself well away from the general area of the game field. It is the responsibility of the team's coach(s) to enforce this. Any player ejected from a game will be ineligible to appear until after the completion of the team's next game. Penalty kick procedures are not considered games.

3. If two (2) red cards are assessed to a team in a single game, that team will forfeit the game. The Tournament Committee and the Referee Director will determine whether further action is warranted.

4. Coaches receiving a Red Card for any reason will be suspended for the remainder of the MTOC.

5. Each coach is responsible for his/her spectators' behavior. Coaches should inform their spectators of the rules (i.e. behavior, spectator line, etc.). Each coach is expected to monitor his or her spectators and take corrective action if necessary. Each coach is expected to support the referee or tournament official if action against a spectator is required.

6. Protests: Any protest must be in writing and submitted to the MTOC Committee located at the Field Pavilion along with a \$100.00 cash protest fee. The protest must be filed within one (1) hour of the completion of the match in question. The protest fee of \$100.00 will be returned if the protest is upheld.

ADVANCEMENT TO THE SEMI-FINALS

1. Official Scores: The official scores will be posted only at the Field Pavilion. The Coach of each team shall be responsible for checking scoreboards at the Field Pavilion to determine if their team is advancing to the semifinals, and to obtain their scheduled time and field location.

2. Divisions with 3 Groups: In divisions of competition with three (3) groups of teams, the winners of each preliminary round robin group of play together with a “Wild-Card” team will advance to the Semi-finals. The Wild Card team will be that team with the best record of those teams not qualifying as group winners.

3. Divisions with 2 Groups: In divisions of competition with two (2) groups of teams, the winners and runners-up in each group of play will advance to the Semi-finals.

4. Tie-Breakers: The determination of order of finish will be made according to the following procedures:

a. Aggregate points earned in round robin games (3 points shall be awarded for a win, 1 point will be awarded for a tie);

b. Head-to-head results. Except, however, in the event of a three way tie within a section, the head-to-head results tiebreaker will not be considered;

c. Goal differential. There shall be a maximum goal differential of four (4) earned per game

d. Fewest goals allowed overall, to a maximum of four per game;

e. Most shutouts;

f. Penalty kicks: The teams involved shall take penalty kicks in the manner prescribed by FIFA Laws of the Game. Penalty kicks shall be conducted immediately after the preliminary round robin phase of the tournament is completed.

i) The time and location for each tie breaker shootout will be set at the Field Pavilion generally one to two hours after the ties are determined. The Coach of each team is responsible for obtaining the time and field location scheduled for the penalty kicks;

ii) Each team shall select seven (7) players from the MTOC roster. The goalkeeper (or goalkeepers) will come from the seven (7) listed players. Each coach will provide a written list of the seven (7) players in shooting order, along with their player pass cards, to the referee in charge of the penalty kicks;

iii) If more than two (2) teams are tied, they will all kick penalty kicks at the same time with the order of teams participating to be determined by coin toss;

iv) Each team will take five (5) kicks from the penalty mark with each team alternating kicks and adhering to the written shooting order provided by the coach. The team shooting first shall be determined by a coin toss conducted by the referee;

v) If the teams are tied after five kicks, each team will have their sixth shooter take one additional kick. If the

tie remains unbroken, the seventh shooters repeat the process. If additional kicks are needed, the referee will continue the process, going through the list of players again until the tie is broken.

g. In the event of a forfeited game, the non-forfeiting team will be awarded:

i) 3 points for a win;

ii) A goal differential equal to the average goal differential of the other games the forfeiting team played vs. other teams in the same section;

iii) A goals allowed of zero.

h. Team Placement Into Semifinals:

i) Winner of Section A plays Winner of Section B;

and,

ii) Winner of Section C plays the Wild Card team,

except when the wild card team comes out of Section C, in which case A plays C and B plays WC.

Semi-Finals and Finals

NOTE: MTOC honors the players of teams qualifying for the semi-finals ("The Final Four") with a commemorative t-shirt. These t-shirts are distributed immediately following team registration on Sunday morning and BEFORE the semi-final game. There will also be a team picture taken in full uniform. These pictures will be posted on the Mass Youth website and available for download.

1. All semifinal and championship games shall be 30 minute halves, with a 5 minute half-time interval. Overtime periods will only be played in the semifinal and championship rounds of play. All overtime periods will conform to current FIFA rules and games that go into overtime will no longer be decided by a "golden goal." Overtime in all age groups will consist of two (2) 5-minute overtime periods. Both overtime periods will be played in their entirety.

2. If teams remain tied after regulation and overtime play, 'kicks from the mark', following regular FIFA penalty kick procedures, will be used to determine a winner. These will take place immediately following the completion of overtime play.

3. An Awards Ceremony will follow the completion of the Championship games, and Gold and Silver Medals will be presented. Both finalist teams should proceed to the Pavilion for instructions as to where the awards ceremony will be held.
