2020 Handbook

Revised February 28, 2020

Southcoastsoccer.org

Each team, upon being accepted as a member of the SCSL, shall be furnished with a copy of the Constitution and by Laws, Rules of Play and the Policies Manual of the League and this shall be deemed sufficient notice of their responsibilities.

A copy of the SCSL Handbook will be given to every coach. Possession of same indicates the coach's familiarity with the SCSL Rules of Play, the coach's responsibilities regarding sportsmanship and the behavior of their players, spectators, and themselves.

A pdf copy of the SCSL Handbook will be emailed to each referee assignor. Each referee assignor will be responsible for ensuring a pdf copy is also provided to each certified referee.

This Handbook includes the full text of the Rules of Play and the Policies Manual both of which have been revised in 2016. The Rules of Play, the Policies Manual and the full text of the Constitution and by Laws may also be found on the South Coast Soccer League web site at southcoastsoccer.org

- The South Coast Soccer League Zero Tolerance Policy may be found on page 5 of the SCSL Handbook.
- The Massachusetts Youth Soccer Association Coach's Code of Conduct may be found on page 30 of the SCSL Handbook.
- As part of the Mass Youth Soccer mandated Safe Soccer training, concussion training is mandatory for all coaches beginning with the 2015 season. On-line training is available at

MYSA Coach's Code of Conduct

The Board of Directors of Massachusetts Youth Soccer Association, Incorporated (Mass Youth Soccer) and the leaders of the affiliated Leagues are concerned about the conduct of all coaches and referees during games at all levels, from recreational to premier to ODP. We want to ensure that games are fair, positive and enjoyable experiences for all of the children and adults involved. A soccer game should be friendly and unifying - a spirited social and athletic occasion for players, coaches, referees and spectators. To clarify expectations of coach conduct, we jointly expect all coaches to conform to this code of conduct:

- ☞ Before, during and after the game, be an example of dignity, patience and positive spirit.
- ☞ Before a game, introduce yourself to the opposing coach and to the referee.
- ☞ During the game, you are responsible for the sportsmanship of your players. If one of your players is disrespectful, irresponsible or overly aggressive, take the player out of the game at least long enough for him/her to calm down.
- ☞ During the game, you are also responsible for the conduct of the parents of your players. It is imperative to explain acceptable player and parent behavior in a preseason meeting.
- ☞ Encourage them to applaud and cheer for good plays by either team. Discourage them and you may need to be forceful and direct from yelling at players and the referee.
- ☞ During the game, you are also responsible for the conduct of spectators rooting for your team.
- ☞ During the game, do not address the referee at all. If you have a small issue, discuss it with the referee calmly and patiently after the game.
- ☞ If you have a major complaint, or if you think the referee was unfair, biased, unfit or incompetent, report your opinion to your League. Your reactions will be taken seriously if they are presented objectively and formally.
- ☞ After the game, thank the referee and ask your players to do the same.

(continued - MYSA Coach's Code of Conduct)

☞ We stress two points:

- Referees - especially young and inexperienced ones - are like your players and yourself, in that they need time to develop. You can play an important role in helping them to improve by letting them concentrate on the game. You can help by encouraging them by accepting their inevitable, occasional mistakes and by offering constructive post game comments.
- On the other hand, you could discourage and demoralize the referees by criticizing their decisions, by verbally abusing them and inciting - or even accepting - your own players' overly aggressive behavior.

☞ Your example is powerful, for better or worse. If you insist on fair play, if you concentrate on your players' enjoyment of the game and their overall, long term development, and if you support the referee, your players and their parents will notice.

☞ If you encourage (or allow) your players to play outside the rules, if you're overly concerned about results, and if you criticize the referee harshly, your players and their parents will also notice.

☞ Think about what you're doing during a game! Uphold the Spirit of the Game! If you follow the expectations described above, the spirit of the game will be alive and well in Massachusetts and will grow, along with the enjoyment of all.

☞ Coaches who don't follow the expectations described above will be disciplined or removed.

4. A player may be allowed to play for a non-home town team if the two clubs involved mutually agree. The request must be made by means of a properly filled out SCSL waiver form to the SCSL BOD per section 902.
5. A player who has been denied a waiver by their hometown club may play for another town's team in their age group. In such case the SCSL BOD reserves the right to declare that team as ineligible for MTOC competition.

6. Players residing in a town without a club registered with and accepted by the SCSL may register with and play for any SCSL club. Waiver forms are required for this situation.
7. For all Divisions, submissions qualifying under the following guidelines will be approved unless the SCSL BOD finds, in a particular case, that such approval would be inconsistent with the basic principles of the League.
 - A. A player who moves from town A to town B and has played for town A for at least two (2) of the three (3) previous spring soccer seasons may play for town A for one (1) more Spring season or for town B immediately. Any exceptions must be submitted to the SCSL BOD in writing by the player's parents or guardians.
 - B. Adjacent towns that have an insufficient number of players to form two (2) full teams at an age level may combine players to form a team, which would be placed in an appropriately competitive division.
8. For Division I, the SCSL BOD may approve residency exceptions for the purpose of providing broader access to competition at this level. In acting on such submissions, the SCSL BOD shall be guided by the following principles:
 - A. Division I should be evenly competitive and in the spirit of town competition.
 - B. Each player has a right to competition at the highest level his or her capabilities will allow.
 - C. A player who has access to Division I play in his or her hometown of residency should not be considered for such play in another town unless both clubs agree and submit an SCSL waiver form per Section 12-2 of the SCSL Constitution and By-Laws.
9. Organizations, which represent two or more adjacent towns associated in a regional school district, shall be considered as town organizations for purposes of these By Laws and shall have the same rights as organizations representing a single town.
10. Organizations which represent two (2) or more adjacent towns not associated with a regional school district and have defined their geographical areas as specified in section 3-2, with the approval of the SCSL BOD, shall be considered as town organizations for the purposes of these By Laws and shall have the same rights as those organizations representing a single town.
11. Individuals residing within the geographical boundaries of a club not previously registered with the SCSL and who have previously played for another SCSL club shall be required to register with and play for the expansion club. All requests for exceptions must be submitted to the SCSL BOD prior to the deadline for submission of rosters to the League Registrar.
12. For the case of towns which have multiple clubs authorized per section 3-2, the Fall membership of such clubs shall be exempt from recruitment by another club operating in that town.
